

AE / EMEDS INTERFACE

This briefing is
UNCLASSIFIED

Maj Leigh
Heglar
HQ ACC/SG

DISCUSSION

- **Is AE / EMEDS interface seamless to the user?**
 - **Does SPEARR require an imbedded AECT?**
 - **SPEARR launched 'on probability' but AELT may not need to launch so soon**
 - **No holding capability in SPEARR**
 - **How / when to move acute / urgent patients from SPEARR to airhead**
 - **Who provides critical care at the airhead?**
 - **Gap between SPEARR and arrival of ECCT?**
 - **Will airhead have supplies / equipment SPEARR does not carry transport supplies**

DISCUSSION

- **Is AE / EMEDS interface seamless to the user?**
 - **Is there a gap between SPEARR and arrival of ECCT Team?**
 - **Will airhead have supplies and equipment. SPEARR does not carry transport supplies.**
 - **Will ECCT have access to transport vehicle and driver to get from airhead to SPEARR and back to airhead**
